

Results of the individual classes in the 2023 Sussex Interclub HFT series

So, after all 9 rounds of this year's SIHFT, here are the final results in the individual classes. Highlights (or not) following Round 9 at Horsham are:

- In Church Roof Chuckers (.22) class, at Horsham, Nick was able to lift his total to just over the 400% mark, but Paul C had this class 'won' before the end of the year. Great to see a new name in the trophy list for this class – with Redders taking the 3rd place spot.
- In JUNIORS, with just 2 entrants attending a single round a decision was taken to not award a trophy in this class for 2023
- Among the LADIES, as with 2022 no one was going to topple Alicia from taking the top spot. She held a 30% lead after round 8 and improved again at Horsham, equaling her season's PB of 55. Hugborg retained her 2nd place, with 'newcomer' Maryam taking 3rd place in her 1st HFT season.
- In OPEN Class, while there certainly could have been, there were no changes after round 8 in the top 7 places. But a last round oomph from Aaron, replacing an 87% with a great 95% resulted in him overtaking both Gary C and Jon N-M to take this year's final (8th) Open Class Trophy spot. Darryl B was another late mover, also leaping over both Gary and Jon with a season (and, I think, personal) best result at Horsham.
- In PRIMARY Class – terrific to see some new younger entrants coming forward. After attending all of the final 3 rounds of the SIHFT season, Thaddeus takes the class trophy. Very well done, young man. Hope to see you back soon – perhaps entering some of the Southern Hunter series which is nearly upon us.
- In RECOILING Class Tom H reigned supreme in the SIHFT this year. Holding a lead of over 60% points after round 8 meant that he was uncatchable. But only ever (as we all should) competing against himself, Tom then put in a season's best (54) at Horsham, extended the lead to a whopping 68%. Ihab and Cutthroat take the 2nd and 3rd spot trophies.
- In STICKS class, the first spot goes to the ever present (attended all 9 rounds of the 2023 SIHFT) Trevor Hudson. Buxtedites Soss and Yiorjos fill the 2nd and 3rd place slots.
- And, finally, in the VETERANS Class, Well, what can I say. The results table below has had to have one of its columns made extra wide. Why? Just look at the figures for 1st and 2nd places. Took me a while to figure out, given the apparent numerical tie between Rackers and Biggles, that I could only achieve the separation by extending the number of decimal places to 5!! Yup the final gap separating these 2 old folk (albeit one of them being sooo much younger) was just 0.00005%. A SIHFT record close finish.

Trophies will be awarded as follows:

.22, Ladies, Recoiling, Sticks and Veterans classes – 1st to 3rd

Primary Class – 1st

Open Class – 1st to 8th

You can see below that, along with the scores I have included a full list of the SIHFT Badges you earned during the year. But did you buy them? The Platinum badges are free, as are those awarded to those age under 17s, but the others are a meagre £2 a-piece. I will bring a supply along to our end-of-year event at Mile Oak on the 29th October for any of you who'd like to 'catch up' with your well won hoard.

We hope you've enjoyed the season.

I anticipate that the SIHFT will return in 2024 and we will be reviewing the structure of the series between now and then. This will include keeping you up to speed on what's happening and asking YOU for your thoughts and suggestions on the way forward.

Please watch out for a call for your ideas – on both Facebook and the Airgun BBS
